4. Principal's Report

Janelle Reimann presented the Annual Report for 2013. Hardcopies of the Annual Report were distributed to all present and a summary verbally provided including:

- 2013 Highlights
- Governing Council Report
- Site Improvement Plan
- Student Achievements: Aboriginal Education, NAPLAN, Senior Secondary, Flexible Learning Program, Attendance and Destinations
- Behaviour Management
- Opinion Surveys
- National Partnerships
- Staff
- Future Directions and Communications

Andrew Biddle asked why the incidence of private school children returning to Willunga High School is so high. Janelle Reimann explained that there are many varied reasons for this - some due to disciplinary reasons, some for social reasons and some for financial reasons.

Janelle Reimann addressed Leon Bignell on the subject of a new gymnasium. She briefly outlined actions to date and said that there has been no movement on this matter despite the supply of all data and information as required. Leon Bignell said he is keen to back the school on this and will happily write a letter on our behalf to the Education Department on this matter.

Parents present were given opportunity to ask questions in response to the Principal's report. A small number of specific student issues were raised. The role and personnel of the Wellbeing Team was detailed, and also the function of the year level coordinators. Parents were invited to make direct contact with the appropriate persons in order to receive the necessary attention required.

5. Chairperson's Report

Outgoing Chairperson, Simon Rothwell, was an apology for the meeting but his 2013 end of year Chairperson’s speech was tabled within the Principal's Report for all in attendance.
6. Finance

No finance report was tabled at the meeting.

7. Canteen

No official Canteen report was tabled but Deborah Carey-Burrows mentioned that the refurbishments are complete and the Canteen is running well. More volunteers are always required.

8. Other Business

No further business was discussed.

Janelle Reimann was asked to take the Chair for the Governing Council Elections in the absence of the outgoing Chairperson.
