

15 April 2020

Dear Parent / Caregiver

## New Senior School Assistant Principal

I am writing to you to introduce myself. My name is Jane Barnett and I have been appointed as Assistant Principal for Senior School at Willunga High School.

I know that it is currently a very stressful and anxious time for our senior school students and you as families. I would like to give an update on recent developments with the SACE Board.

The SACE Board has been consulting with schools on a regular basis and has been conducting sessions on Zoom (a video conferencing platform) with subject teachers to discuss each individual subject and issues that may need to be addressed, as we continue to adapt to new ways of delivering the curriculum.

If changes occur, we will let you know what they are and the impact that it may have on your student's learning.

At this stage it is important that our senior school students are continuing to engage with their learning by accessing learning resources for each subject on their SEQTA program and contacting their teachers through SEQTA direct messaging, email or phone call to ensure they understand the assessment tasks they are completing.

Students need to continue to meet the deadlines that teachers have set. At this stage it has been made clear that there have been no changes made to the South Australian Certificate of Education (SACE) exam dates.

If your student is sick, you need to contact the school (even if they are undertaking home study) and we will continue to follow the established processes that the SACE Board have in place, which may include special provisions or extension to deadlines.

If you have any concerns, please do not hesitate to contact your student's home group teacher, subject teacher, year level coordinator or myself.

Enjoy the holiday break and we look forward to working alongside you in term 2.

Yours sincerely
