

1 July 2020

Dear Parent/Caregiver

Re: 2020 – 2021 Course Confirmation - Middle School

Early in term 3, the following process is being implemented to ensure that subject selections for 2021 have been made whilst providing the best opportunities for your child to be successful and to pursue their preferred career pathway.

During term 2 in Pathways lessons, students have been engaged in activities focused on their future pathways and subject offerings at Willunga High School. At the beginning of next term, students are expected to begin choosing their subjects for 2021 using an online platform named Web Preferences.

The following timeline provides some additional information regarding this process in term 3:

Weeks 1, 2 and 3:

Web Preferences link opens for students to select subjects for 2021. Time is allocated to students for exploring the subject offerings through their Pathways lessons.

After completing their selections, students are to keep a copy of the subject selection printout from Web Preferences showing their 2021 subject choices at Willunga High School. Students are to return a copy of the printout, signed by parent/caregiver, to the school.

Weeks 3 and 4:

Parents/caregivers can make an appointment to confirm and/or change their child's subject selections by accessing the interview booking website www.schoolinterviews.com.au and using the code **ndnet**. The school interviews website will be available for bookings from Monday 3 August 2020. Appointments can also be made by calling the school on 8557 0100.

All year 8 and year 9 students are encouraged to make an appointment which will take place in week 5, as outlined below. These meetings will occur in the Learning Hub with a member from the subject selection panel.

Students in years 8 and 9 will attend school for normal lessons on the day of their scheduled meetings, except for their individual meeting time where they will go to the Learning Hub at their scheduled time.

Week 5	Student Group	Time	Where
Wednesday 19 August	Current year 9 students confirming year 10 subjects	9.00am to 7.00pm	Learning Hub
Thursday 20 August	Current year 8 students confirming year 9 subjects	9.00am to 7.00pm	Learning Hub

The confirmation meeting will provide an opportunity for parents/caregivers and students to discuss what needs to be achieved in the student's current studies to be successful in their subjects in 2021. Students will be able to change their original subject selection choices in the confirmation meeting, if they desire.

There will be opportunity to ask questions and clarify information. Resources will be made available for future pathways including TAFE, university, South Australian Tertiary Admissions Centre (SATAC) and the South Australian Certificate of Education (SACE) information. The Vocational Education and Training (VET) Coordinator will be available for questions.

Please complete the appointment process on www.schoolinterviews.com.au in week 3 or week 4 to ensure your child's subjects for 2021 are confirmed in week 5.

Yours sincerely

Caleb Macrow
Assistant Principal
Middle School

Anthony van Ruiten
Principal
