Dear Families and Caregivers,

Wow how quickly things change!

The Premier today announced that schools and preschools will reopen to all students on Monday 23 November.

As a result Willunga High School will be open to all students and learning programs will resume as normal.

We will not be offering an alternative home-based learning program for students who are not at school.

As the Chief Public Health Officer said, just because the hard lockdown is being lifted does not mean that the risks associated with COVID-19 have passed. Because of this we ask that parents, families and carers do not come onto the school grounds for the foreseeable future. We need to minimise the number of people coming and going from our site.

Wherever possible, please drop and collect your child at the gate and maintain an appropriate physical distance from other adults.

We will provide further updates as we receive more information from the government or new directions from our central office regarding excursions, events, sporting activities, and use of masks in or around the school.

Thank you so much for your support throughout the year with the constantly changing conditions we have had to manage together. We look forward to having your child back at school on Monday to return to 'business as usual'.

Willunga High School staff are committed to providing high-quality learning programs and wellbeing support for your child and will continue to do this over the coming weeks. Please contact the school if you need any further assistance.

Kind regards

Anthony van Ruiten
Principal
