

Dear parent/guardian,

Altered Year 12 Start and End-times

This year we have made changes to our scheduling for year 12 students to reduce the amount of study lessons they have throughout the middle of the day to enable all students to make the most effective use of their time. This change has included, no scheduled lessons before recess on Monday, or after lunch on Friday (with the exception of a small number of compulsory tutorials).

Year 12 students can still be at school to access the facilities and learning supports during these times. They do however have the opportunity, if they do not have a tutorial, to begin their school day on Monday at recess and end the school day on Friday at lunchtime.

Please understand that this is not a part of Year 12 Flexi-time which will begin in Week 7 this term. More information will be sent home in the coming weeks in regards to the process for Year 12 Flexi-time, as well as the responsibilities and expectations associated with it.

If students come on to school grounds on Monday during Lesson 1 they must sign in at student reception, and if students leave school on Friday they must sign out at student reception before leaving. This is a Work, Health & Safety requirement and will enable us, as a school, to know who is present on campus at all times.

Thank you for your support of your student and the school. If you have any questions, please do not hesitate to contact Jane Barnett, Thomas Gradisar or another member of the Senior School Leadership team on 8557 0100.

Kind regards,
