Dear parent/caregiver

Willunga High School parent information night

On Tuesday 29 June (Week 10) we will be holding our Willunga High School parent information night. This event will be held in our new innovative learning hub and senior school area and will commence at 5.30pm.

The Willunga High School parent information night is a fantastic opportunity for you to view the facilities our team will be using to support the learning of your child, get valuable information to support your child's decisions regarding subject selections and ask any questions you may have regarding the process, the subjects we offer, or possible career pathways. You will also hear from our Principal and Assistant Principals about our school priorities/directions and learn about the South Australian Certificate of Education (SACE), Vocational Education and Training (VET) and have the opportunity to speak to wellbeing staff about supports that can be put into place to support your child achieving their potential.

We encourage you and your child to attend as we value building positive relationships with our caregivers at Willunga High School.

A brief outline of the night's program includes:

- Principal's Address
- Assistant Principals' Address
- VET/SACE Presentation
- Presentation by Area of Learning Leaders
- Scheduled Q&A Sessions with Area of Learning Leaders, VET/SACE Coordinator, and the Middle and Senior School Sub-School Wellbeing Teams
