MSP photography will again be taking school photos this year.

We encourage on-line ordering, where parents are now able to select their preferred package online makes it much easier. Alternatively, parents can send the money to the school in the self-sealed envelope supplied, this is to be given directly to the photographers.

Placing your child's order online is the safest and easiest way to order school photos. Just enter the shootkey printed on your child's envelope and make your selection. If you are having a family photo taken, do the same with the shootkey printed on that envelope (envelopes available from student services).

The range of options available to you online has increased. As well as the option to download a low resolution image for a smart-phone, parents will now have the option to purchase a High Resolution Digital Download of their child.

MSP offers a 10% discount for all orders above \$90.00 a family. To receive this discount online your orders must be placed in one transaction. If you are paying with cash please total your order amount, then apply your discount and place the correct money in the self-seal envelope before returning to photographers.
