1. Correspondence In	Parents' Say magazine South Australian Association of School Parent Communities affiliation invoice World's Greatest Shave	Alison to contact SAASPC via email requesting removal from mailing list
2. Correspondence Out	N/A	

Reports

Principal	As per attached report <ul style="list-style-type: none"> Pam Bull doing exceptional job as Business Leader in Kim's absence Covid continues to impact school; five teachers on leave with covid during first week back of term, mask fatigue has set in amongst student body, unvaccinated teachers can now work under strict conditions 	Hayley
------------------	---	--------

	<p>School has previously requested council to assign entire school frontage as 25km/h school zone without success, as the road is DIT, not council. Could we approach police to set speed trap?</p> <p>Suggestion to apply to local member (Leon Bignell) with assistance for reclassifying school front as 25km/h zone when children present.</p> <p>Council will not provide further street parking opportunities along that section of road, with many parking illegally and in bus zone, posing danger to our children.</p> <p>Post on FB page and newsletter to inform parents that council plan to enforce parking bylaws by issuing fines on regular basis.</p>	<p>Katherine to contact Leon Bignell on behalf of school and GC</p> <p>Katherine to draft post for newsletter and school's Facebook page</p>
<p>Early dismissal</p>	<p>Previous proposal of early finish at 2pm on Wednesdays on hold as Anthony needs to liaise this change with primary school, as approx. 80 PS students would be affected with regards to buses.</p> <p>If change was to occur, most likely would happy at beginning of term 3 (semester 2), or defer until beginning of next year.</p>	
<p>Water Fountains</p>	<p>Cleanliness and hygiene of bubblers raised, as the taste of the water isn't nice.</p> <p>Could possibly be due to the recent change by SA Water to the town's drinking supply, by disinfecting water using chloramine instead of chlorine. Numerous complaints have been made on the community's Facebook page since the change occurred in Dec 2021.</p>	
<p>Council Members</p>	<p>No correspondence or contact from Dave Martin this year. ALL in favour of removing David from council as an inactive member.</p> <p>Possible new member starting at next meeting due to new enrolment at school.</p>	

Meeting Closed: 7.15pm

Next Meeting: 20 June (Term 2 2022, Week 8)
